

Occupational Safety and Health Professional

CONSIST

THE PREFERRED NAME IN
OCCUPATIONAL SAFETY AND HEALTH
TRAINING AND EDUCATION IN MALAYSIA

**DIPLOMA IN OCCUPATIONAL SAFETY AND HEALTH
MANAGEMENT [Dip. OSHM (CONSIST) Malaysia]**

CONSIST offers DOSHM to fulfill the requirement of most sectors in Malaysia. The appointment of competent Safety and Health Officer in certain industries in Malaysia is a requirement under the law, Occupational Safety and Health Act (OSHA) 1994.

CONSIST not only trained individual to be a safety and health officer but trained them beyond the requirements to enable them to hold management position such as managers and professional advisers.

Safety and health professional requires skills and understanding in all aspects of occupational safety and health management at workplaces. They must have high levels of communications and administration skills.

course overview

In the first semester, students are exposed to basic understanding of Occupational Safety and Health (OSH) terminology before going into indepth OSH studies in the following semesters. Right from the beginning students are guided to gain self-confidence in public speaking and to attend weekly disciplinary activities such as 'coverall day' and conducting morning briefing in order to improve communication and leadership skills. In the final semester students need to undergo 3 months of

practical training to gain actual work experience. Students are required to prepare HIRARC report for their final presentation before awarding of Diploma.

careers and opportunities

Graduates are employed in many sectors such as government agencies and private organisations. The workplaces can range from commercial and retail office spaces, hotels, hospitals, property sectors, oil and gas, marine and aviation industries and many others. OSH professionals work alongside with other professional in the office or workplaces to ensure the safety of staff and healthy environment. Opportunities exist not only in Malaysia but there are great demand overseas as well. As to date all CONSIST graduates has successfully secured jobs in various sectors.

career roles

The spectrum of activities as OSH professional may undertake includes auditing, planning and enforcing occupational safety and health practices at the workplaces. They are the advisers of the organisation to assist the management achieving safe and healthy environment at workplaces.

why choose consist?

1.0 ESTABLISHED CONSIST has been involved in occupational safety and health training since 1996. As at November 2008, CONSIST has trained over 28,000 participants in the related courses.

2.0 RECOGNITION CONSIST DOSHM programme has obtained full accreditation from Malaysia Qualifications Agency (MQA). Graduates need to work only three years before they are eligible to be registered as competent safety and health officers with the Department of Occupational Safety and Health (DOSH) and also will be able to continue OSH degree programme in Curtin University of Technology, Perth in less than two years. In this respect, it will give students the opportunity to a global career prospect.

3.0 INDUSTRY LINK CONSIST has strong links with industrial bodies and professional organisations. Students will be absorbed easily in these organization after completing their studies.

Pengurusan Keselamatan dan Kesihatan Pekerjaan Profesional

CONSIST KOLEJ PILIHAN INDUSTRI

DIPLOMA PENGURUSAN KESELAMATAN DAN KESIHATAN PEKERJAAN [Dip. OSHM (CONSIST) Malaysia]

Melantik Pegawai Keselamatan dan Kesihatan yang berkelayakan di tempat kerja adalah satu kemestian bagi sesetengah industri di Malaysia. Ia juga tertakluk di bawah Akta Keselamatan dan Kesihatan Pekerjaan (OSHA) 1994. Oleh itu, CONSIST menawarkan Diploma Pengurusan Keselamatan dan Kesihatan Pekerjaan (DOSHM) untuk memenuhi keperluan kebanyakan sektor di Malaysia. CONSIST bukan sahaja melatih bakal Pegawai, malah turut bertanggungjawab memastikan pelajar mampu memikul tugas pengurusan dan pentadbiran selain menjadi penasihat profesional kepada organisasi berkenaan.

Kepakaran dalam bidang Keselamatan dan Kesihatan memerlukan kemahiran dan kefahaman dalam semua aspek Keselamatan dan Kesihatan Pekerjaan. Oleh itu di CONSIST, kemahiran berkomunikasi dan pengurusan adalah diutamakan.

ringkasan kursus

Pelajar didedahkan kepada kefahaman asas Keselamatan dan Kesihatan Pekerjaan (OSH) pada semester pertama sebelum mendalami pengajian OSH pada semester berikutnya.

Keyakinan diri pelajar juga ditingkatkan menerusi sesi pengucahan awam dan aktiviti rutin mingguan. "Coverall Day" pada setiap minggu dan taklimat pagi diadakan bagi menggalakkan pelajar berkomunikasi dan menerapkan nilai kepimpinan.

Selain daripada itu, setiap pelajar diwajibkan menjalani Latihan Industri (On-The-Job Training) selama 3 bulan pada semester akhir. Latihan industri ini bertujuan memberi pendedahan bekerja dalam situasi sebenar sekaligus mempraktikkan teori yang telah dipelajari dan menimba pengalaman secara berperingkat. Pelajar seterusnya perlu menyediakan laporan dan pembentangan HIRARC sebagai penilaian akhir sebelum dianugerahkan Diploma.

peluang kerjaya

Para graduan berpeluang menyertai pelbagai sektor kerajaan dan swasta. Tempat bekerja adalah luas yang merangkumi sektor komersial, hotel, hospital, hartanah, minyak dan gas, industri marin, perkilangan, penerbangan dan lain-lain.

Peluang pekerjaan juga tidak hanya tertumpu di Malaysia malah mempunyai potensi yang tinggi di pasaran antarabangsa.

tugas dan tanggungjawab

Antara bidang tugas seorang Profesional Keselamatan dan Kesihatan Pekerjaan termasuklah mengaudit, merancang dan menguatkuasakan aspek keselamatan dan kesihatan pekerjaan di tempat kerja. Selaku penasihat kepada organisasi, mereka membantu pihak pengurusan dalam memastikan suasana tempat kerja yang sihat dan selamat.

mengapa memilih consist?

1.0 PENCAPAIAN CONSIST terlibat dalam Latihan Keselamatan dan Kesihatan Pekerjaan (Occupational Safety and Health) sejak tahun 1996. Sehingga November 2008, CONSIST telah berjaya melatih lebih 28,000 peserta dalam pelbagai kursus yang berkaitan.

2.0 PENGAKHIRAN Program Diploma Pengurusan Keselamatan dan Kesihatan Pekerjaan (DOSHM) telah mendapat akreditasi penuh dari Malaysian Qualification Agency (MQA).

Graduan hanya perlu bekerja selama 3 tahun sebelum layak didaftarkan sebagai Pegawai Keselamatan dan Kesihatan bertauliah dengan Jabatan Keselamatan dan Kesihatan Pekerjaan Malaysia (JKKP).

Graduan juga boleh melanjutkan pelajaran dan memperoleh ijazah sarjana muda di dalam bidang yang sama di Curtin University of Technology, Perth dalam masa kurang 2 tahun. Kelebihan ini pasti membuka prospek kerjaya yang lebih luas di peringkat global.

3.0 HUBUNGAN INDUSTRI

CONSIST mempunyai hubungan yang erat dengan badan-badan perindustrian dan organisasi profesional. Para pelajar yang berpotensi lebih mudah untuk diserap oleh organisasi berkenaan setelah tamat pengajian.
